CAREER OBJECTIVE

Detail-oriented Computer Science graduate specializing in Java Full Stack Development with strong skills in Core Java, Spring Boot, REST APIs, and SQL (MySQL/Oracle). Seeking an entry-level Software Developer role to apply my technical expertise, contribute to scalable applications, and grow through continuous learning and collaboration.

TECHNICAL SKILLS

Languages: Java, SQL, C
Core Java :OOPs, Collections, Exception Handling, Multithreading, Java 8
Frontend: HTML, CSS, JavaScript, Bootstrap
Backend: Spring Boot, Spring MVC, REST API, Spring Data JPA, JDBC, JSP
Databases: MySQL, Oracle
Tools: Git, GitHub, Maven, VS Code, MySQL Workbench

EDUCATION

Gandhi Engineering College , Bhubaneswar , Odisha

Bachelor of Technology (B.Tech) - Computer Science & Engineering | 2020-2024
CGPA: 8.0/10

D.A.V Model Senior Secondary School
Intermediate (12th) | CBSE | Year: 2020

D.A.V Model Senior Secondary School
Matriculation (10th) | CBSE | Year: 2018

INTERNSHIP AND TRAINING

1.FullStackJavaDeveloperIntern | YHills (E-Cell IIT Hyderabad) | Jun 2023 – Aug 2023

- Developed responsive web pages using HTML, CSS, and JavaScript.
- Collaborated on backend components using Java and Spring Boot.

2. Full Stack Java Development Training | Naresh i Technologies, Hyderabad | Sept 2024 – Present

- Completed C programming and web technologies (HTML, CSS, JS).
- Currently focusing on Spring Boot and Design Patterns for full-stack development.

CERTIFICATION

- Web Development Internship Certificate - YHills (June 2023 - Aug 2023)
- Web Development Completion Certificate – YHills

PROJECTS

1. Personal Finance Tracker | Feb 2026

Tech Stack: Java, SpringBoot,SpringMVC, Spring Data JPA, JSP, Oracle, Maven
Role: Full Stack Java Developer

- Developed a personal finance web application to manage income and expense transactions for users.
- Implemented user authentication, session-based login/logout, and secure transaction handling per user.
- Built CRUD operations for transactions with filtering, update, and delete features.
- Integrated monthly budget tracking with warning alerts when expenses exceed the set budget.
- Designed Oracle database schema with entity relationships and optimized queries for balance calculation.

2. Football Player Management System | Nov 2025

Tech Stack: Java, SpringBoot,SpringMVC,SpringData JPA, JSP, MySQL, Tomcat 11

Role: FullStack JavaDeveloper

- Developed a CRUD-basedwebapplicationto manage football player records using Spring Boot MVC.
- Implemented layered architecture (Controller, Service, Repository) for better code maintainability.
- Integrated MySQL database using Spring Data JPA for persistent storage and custom queries.
- Implemented Internationalization (i18n) using message property files to support multiple languages.
- Deployed the application on Apache Tomcat 11 for testing.

3. Travel Planning System | 2023

Tech Stack: PHP, MySQL, HTML, CSS, JavaScript, Bootstrap
Role: WebDeveloper(Frontend& Database Design)

- Designed and developed atravel planning system to manage and display tourism destinations.
- Implemented CRUD operations for admin users to add, update, and remove destinations.
- Created responsive UI pages using Bootstrap and JavaScript for better user experience.
- Contributed to database schema design and integration using MySQL.

4. Educational Web Page | 2023

Tech Stack: HTML, CSS, JavaScript, Bootstrap
Role: Frontend Developer

- Developed a responsive educational website to showcase courses and faculty details.
- Implemented Bootstrap-based layouts for mobile-friendly design.
- Added interactive UI features using JavaScript for better navigation and usability.

LANGUAGE

- English
- Hindi
- Odia

SOFT SKILL

- Strong critical and analytical thinking, with a structured approach to understanding and resolving technical challe
- Skilled at developing innovative and practical solutions for complex real-world problems
- Proven ability to perform effectively under pressure and meet deadlines in fast-paced environments.
- Excellent team collaboration and communication skills, ensuring smooth coordination in group projects.
- Highly adaptable and self-motivated, with a continuous learning mindset and attention to detail.

ACCOMPLISHMENTS & EXTRA-CURRICULAR ACTIVITIES

- Successfullyorganizedand volunteered at college-level fests,handlingevent coordination, registrations, and techni setup.
- Achieved Man of the Match recognition in inter-college cricket tournaments for outstanding performance.
- Participated and excelled in sprinting events, demonstrating focus, endurance, and competitive spirit.
